## *April Business Meeting Report*

The April 29 Show Experience Weekend began at 7:00 pm. There were about 50 members and their guest present. President Mike Immel presided over a short meeting. On a sad note it was announced that our Show Committee Chairman Bill Kimber had been in the hospital, he was out. Mike then Introduced Milan Zahorcak, our Guest Speaker. The members enjoyed an excellent presentation by Milan, then continued with lively conversation between themselves, and munched on the treats prepared by Stan Kirlin. Bill Kimber was able to stop by for a short while and promised to make the show. The gathering adjourned when the food was gone, all promising to be there for the show.

Update: The show is over, and we are looking forward to next year,s show. Members, sellers and visitors seemed to have a good time at our show. Attendance was down slightly, but overall it was a great show. Our show committee chairman and Club Vice President, was able to make the show, and even made several announcements on the PA. The display tables at the show were all of very good quality, with several members grinning from ear to ear, having won the coveted blue ribbons.

**I just received sad news from Merle Carey: “Bill Kimber passed away about 2PM Friday 5-14 at Tacoma General Hospital.”**
